June 30, 2020

Dear Parents,

I hope each of you and your families are doing well and staying safe. As we continue planning for the safe opening of United Day School in August, we would like to announce that we have opted to have a flexible learning schedule for the 2020–2021 school year that allows you, the parent/guardian, to choose the method in which your child/children receive instruction. The safety and well-being of our school community continues to be of utmost importance and because of this, you will have the option of having your child receive instruction either traditionally (face-to-face), online (distance) learning as we did the latter part of this past school year, or hybrid learning which is a combination of in-school and online learning.

Please know changes may occur to our plans as we continue receiving guidance and periodic updates/recommendations/mandates from the city, the state, the medical experts, the Texas Education Agency, and the Texas Private School Association.

Although it is not possible to eliminate all risk of furthering the spread of COVID-19, we will be taking the necessary precautions to minimize the likelihood of the spread, among them include:

1. PROVIDE NOTICE: Requirements for parental, visitor, and public notices
2. PREVENT: Recommended practices to prevent the virus from entering the school
3. RESPOND: Required practices to respond to a lab-confirmed case in the school
4. MITIGATE: Recommended practices to mitigate the likelihood of spread inside the school.

It is important that you complete the brief questionnaire by clicking on the following link no later than Friday, July 3rd, so that we may continue working with the school's and the students' schedules. You will need to complete a questionnaire for each child attending UDS.

Additional information regarding our plans and procedures relating to the opening of our campus will be forthcoming. All information may be found on our school's webpage as it becomes available.

I continue to acknowledge and sincerely appreciate your support and your patience.

Thank you,
Jessica Rivera
Head of School
